

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

King County Request for Proposals

King County is requesting Proposal Submittals from qualified firms interested in providing engineering and ecological services, on a work order basis, for various transportation projects.

The Request for Proposals, all addenda and current document holder's list are available on the internet at www.metrokc.gov/procurement/rfp_rf়q_itb/new_cons_u.aspx. The County will no longer mail, ship or fax RFPs and addenda.

Interested firms *must* register with the County at time of download and ensure that a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County plans to issue two (2) contracts with a maximum dollar value of \$500,000 each. Each contract will have an initial period of performance of one (1) year. The County reserves the right to amend each contract's duration in one (1) year increments up to a maximum of three (3) years, if funds remain.

Contract Title: **Work Order Based Intelligent Traffic System (ITS)/Traffic Analysis and Signal Design for the Road Services Division**

Number: **E00031E06**

Proposals due: **August 25, 2006**

Time: **5:00 p.m.**

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The Consultant will provide professional engineering and ecological services, on a work order basis, for various transportation projects. Services under this solicitation may include, but not be limited to, the preparation of traffic analysis, signal warrant analysis, corridor studies, Intelligent Traffic System (ITS) studies and design, feasibility studies, signal and/or intersection design or other conceptual and preliminary designs, environmental studies, environmental document preparation, preparation of plans, specifications and estimates (PS&E), and provide services during construction and start-up.

SUBCONSULTANT OPPORTUNITIES: Provided for informational purposes only, following are subconsulting opportunities that may be available on this Contract: ITS design, traffic signal and intersection design, ITS studies, and traffic analysis.

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to

subconsulting opportunities, as well as other non-discrimination and affirmative action requirements with which the Consultant shall comply.

Both contracts may also be federally funded in part and subject to certain federally mandated contract provisions. The DBE participation goal for this contract is:

DBE Goal

None

QUESTIONS: Questions concerning this solicitation should be directed to **Frances Gaucin, Contract Specialist** at **206-684-1342**, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
